Re: Closure of Notice of Violation
Peaceful Valley Public Water
System
Docket No. SDWA 08-2003-0008
PWS ID# ND5201461

Dear Mr. Long:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Notice of Violation issued March 24, 2003 and not to pursue further enforcement action against the Peaceful Valley Public Water System, Docket Number SDWA 08-2003-0008. This decision is based upon EPA's understanding that North Dakota Department of Health has issued an Administrative Order to Peaceful Valley Public Water System that addresses the total coliform maximum contaminant level violation and the multiple failure to monitor for total coliform violations.

If you have any questions about this decision please call Jackson Naftel of my staff at (303) 312-6362.

Sincerely,

SIGNED

Diane L. Sipe, Director
Technical Enforcement Program
Office of Enforcement, Compliance
and Environmental Justice
